WHAT IS 30 DAYS OF GOOGLE CLOUD?

30 Days of Google Cloud program will provide you an opportunity to kickstart your career in cloud and get hands-on practice on Google Cloud Platform – the tool that powers apps like Google Search, Gmail and YouTube.

Along the way, you will learn & practice concepts like computing, application development, big data & machine learning using cloud & if you get stuck, you will have your "Campus Facilitators" who are specially trained on Google Cloud to help. 😎.

Why should you enroll??

1. Certificates from Google
2. Win cool goodies and swags
3. cloud carrier readiness
4. Learn state-of-the-art technology!
